

SCHOOL NEWSLETTER – 23rd October 2026

❖ SAFEGUARDING/REMINDERS

- A reminder that Parents' Evening will take place on Tuesday 3rd November and Wednesday 4th November.

If you would like to make an appointment to meet with your child's class teacher, please email the school office and we will try our best to arrange a suitable time for you.

Mrs Brewer will be back in the office on Monday 2nd November and will reply to appointment requests and confirm times.

❖ HEADTEACHER

As we reach the end of a very busy and successful half-term, I would like to take this opportunity to thank all of our families for your continued support. The children have worked incredibly hard throughout the term and have achieved so much. They are certainly ready for a well-earned rest!

A special thank you to everyone who supported our Harvest Festival and contributed donations to the local Food Bank. Your kindness and generosity will make a real difference to families within our community, and we are very grateful for your support.

We hope you all enjoy a relaxing and enjoyable half-term break, spending time with family and friends and recharging for the weeks ahead.

We look forward to welcoming everyone back to school on **Monday 2nd November**.

Have a wonderful half-term and thank you once again for your continued support.

❖ MES BACH

This week, we enjoyed reading the story *Pumpkin Soup*, which inspired a wonderful child-led learning experience. After listening to the story and sharing their ideas, the children decided they would like to make their own soup. This hands-on activity supported learning across many areas of development. The children developed their language and communication skills by discussing ingredients, sharing ideas, following instructions, and introducing new vocabulary related to cooking.

They also practised their mathematical skills by counting, measuring, comparing quantities, and talking about size and weight. Using their senses, the children explored the different ingredients by smelling, touching, observing, and tasting them, helping to develop their understanding of the world around them. The activity also encouraged fine motor skills through chopping and preparing vegetables, as well as personal and social skills such as turn-taking, cooperation, and working together as a team.

❖ DOSBARTH CWM

The children in Dosbarth Cwm have been busy training to become fantastic storytellers! They have been learning to retell the traditional tale *The Three Little Pigs* using actions, expression and storytelling language. To help them sequence the story correctly, the children have been creating story maps and using these to support their retelling. They have also enjoyed bringing the story to life with puppets, props and masks, retelling it in their own words while developing their speaking, listening and imagination skills. 🐷 🐼 📖

❖ DOSBARTH AFON

The children in our class are enjoying learning to read and write in Welsh. They are building their confidence in speaking Welsh every day through a range of fun and engaging activities such as daily singing. We are fortunate to have Miss McQueen who is a Welsh speaker!

❖ **DOSBARTH MYNYDD**

As part of our 'Belonging' topic, Year 2 had great fun last Friday exploring our village and finding out more about the places that make our community special. We visited the village hall, park, church, shop, the old school site and even the bus stop! A highlight for many of the children was exploring the park!

The children enjoyed spotting familiar places, asking lots of questions and talking about how different parts of the village help people to feel connected and supported. We were delighted with the children's enthusiasm, curiosity and excellent behaviour throughout the walk. It was a great opportunity to bring our learning to life and to think about what it means to belong to a community.

A community centred school where Aspirations are nurtured, everybody Belongs, and strong Connections are built.

❖ DOSBARTH LLYN

It's been a fantastic first half term in Dosbarth Llyn, and the children have certainly hit the ground running. They've worked incredibly hard across the curriculum, and it's been lovely to see their confidence and skills develop over the past few weeks.

Yesterday's Warm Write was a particular highlight, with some remarkable progress on display. I'm really looking forward to sharing both the children's Cold Writes and Warm Writes with you at our parent-teacher meetings after the holiday. I think you'll be impressed by just how far they've come.

We'll be getting straight back into things after half term, with a week of hands-on Science and Geography investigations taking place each afternoon. The children will be working in groups, and I'll share a rota next week so you know which day your child will need to bring their waterproofs. I won't give too much away just yet...

Finally, thank you all for your support throughout this past eight weeks. It's been a real pleasure getting to know the children, and I'm looking forward to everything the rest of the year has in store.

Have a wonderful break

❖ SQUIRRELS (BREAKFAST/AFTERSCHOOL CLUB):

November bookings are open – **Please remember bookings for Monday 2nd November will close on Monday 26th October.**

Breakfast Club:

Opening hours: 08:00 – 09:00
